Upwards of fifty thousand poor persons suffering from diseases of the eye, ear, nose and throat, many of whom were threatened with blindness, have received the benefits of this charity, and hundreds of poor people already blind, have been restored to sight. The poor of the city have paid over one hundred thousand dollars toward the support of this institution, five or six thousand of which have been in the past year. It has no endowment, and depends on the charity of such persons as will come to its aid. The Lady Managers would ask of their friends and to all those to whom the blind poor appeal, not to forget the blind poor appeal, not to forget the blind poor appeal. DAY-FEBRUARY 5TH.
